

"Exploring Endophytic Bacteria for Enhancing Crop Yield in Medicinal Plants"

PROJECT WORK

*Submitted in partial fulfillment of the requirements for the award of
Degree of Master of Science (Botany)
2024*

Under the supervision of:

**Dr Harish Chandra
Department of Botany**

Submitted By:-

Sugam Yadav

**Department of Botany, Faculty of Science
J.S University

Declaration

I **Sugam Yadav** hereby declare that the project work titled "**Exploring Endophytic Bacteria for Enhancing Crop Yield in Medicinal Plants**" submitted to J.S University, is an original work conducted by me under the guidance of **Dr Harish Chandra**. The information and data presented in this project are true to the best of my knowledge and belief.

I also declare that this project has not been submitted, either in part or full, for the award of any other degree or diploma to any other institution or university.

Name: SUGAM YADAV

Roll Number: 224020404035

Acknowledgment

I would like to express my deepest gratitude to all those who contributed to the successful completion of my MSc project work.

Firstly, I would like to thank **Dr. Harish Chandra**, my project supervisor, for their invaluable guidance, support, and encouragement throughout the course of this work. Their insights and expertise were crucial in shaping the direction of this research.

I am also grateful to J.S University, Department of **Botany** for providing the necessary resources and a conducive environment for my studies. The support from the faculty and staff has been instrumental in the completion of this project.

A special thanks to my colleagues and friends for their encouragement and for being a source of motivation during challenging times. Your advice and feedback have been greatly appreciated.

Lastly, I would like to thank my family for their unwavering support and belief in my abilities. Your love and patience have been my driving force throughout my academic journey.

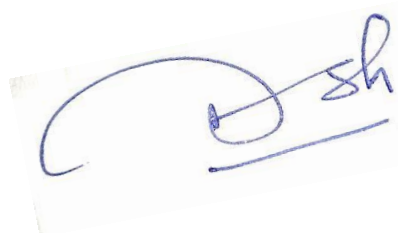

This work is dedicated to everyone who has been a part of my academic and personal growth.

Thank you.

Certificate of Completion

This is to certify that **Sugam Yadav** has successfully completed the Research Project on "**Exploring Endophytic Bacteria for Enhancing Crop Yield in Medicinal Plants**" conducted by Department of Botany, Faculty of Science.

This project was conducted under the guidance of **Dr. Harish Chandra** and demonstrates a significant contribution to the field of Botany.

Dr Harish Chandra
