Acknowledgment

I would like to express my deepest gratitude to all those who contributed to the successful completion of my **M.Sc.** project work.

Firstly, I would like to thank **Dr. Prabal Pratap Singh,** my project supervisor, for their invaluable guidance, support, and encouragement throughout the course of this work. Their insights and expertise were crucial in shaping the direction of this research.

I am also grateful to J.S University and Department of Mathematics for providing the necessary resources and a conducive environment for my studies. The support from the faculty and staff has been instrumental in the completion of this project.

A special thanks to my colleagues and friends for their encouragement and for being a source of motivation during challenging times. Your advice and feedback have been greatly appreciated.

Lastly, I would like to thank my family for their unwavering support and belief in my abilities. Your love and patience have been my driving force throughout my academic journey.

This work is dedicated to everyone who has been a part of my academic and personal growth.

Thank you.

Certificate of Completion

This is to certify that KM. NANDNI has successfully completed the **Research Project on Comparative Analysis of Classical Encryption Techniques** conducted by Mathematics Department .

This project was conducted under the guidance of **Dr. Prabal Pratap Singh** and demonstrates a significant contribution to the field of **Mathematics.**
