

## **Report on: UltraTech Cement's skill building program**

**Date: 17/12/2021**

**Faculty Coordinator(s):** Mr. Amit Kumar Yadav, Mr. Chhabi Lal Singh

**Participation:** Students of J.S. University (Civil Engineering)

**Event Summary:** As a part of outreach activity 50 students of Civil Engineering along with Mr. Amit Kumar Yadav and Mr. Chhabi Lal Singh, faculties, UltraTech is to help Students sharpen their technical skills and also improve their entrepreneurial ability, thus empowering them to gain better employment. This programme discusses the manufacturing process of precast cement concrete blocks. It describes how concrete blocks are made using cement, aggregates, and water.

The programme is breaking new ground now with its pioneering initiative of training students to become skilled engineer and thus help them gain sustainable employment.
