

REPORT ON TIKA UTSAV & HANDMADE MASK MAKING CAMPAIGN

Organized by: Student Club, J.S. University

Date: 14/08/2022

Participants: 72

Event Overview:

The **Tika Utsav** and **Handmade Mask Making Campaign** were organized by the **Student Club of J.S. University** in 2022. A total of 72 students participated in these activities, promoting COVI/D-19 vaccination awareness and encouraging the use of handmade masks for safety.

- **Tika Utsav:** The event focused on spreading awareness about the importance of COVID-19 vaccination, encouraging students and the local community to get vaccinated.
- **Mask Making Campaign:** Students actively engaged in creating handmade masks, which were distributed to promote health and safety during the pandemic.

Conclusion:

The campaign successfully raised awareness about vaccination and mask usage, contributing to public health efforts during the pandemic.
