

Report on: Financial Literacy for Youth

Resource Person: Mr.Nawabuddin

Participation: Students of J. S. University, Shikohabad

Event Summary:

Workshop on Financial Education Conducted by NISM

Department of Management,J.S.University strives to generate young entrepreneurs, bankers and business leaders who are financially capable and independent citizens of the nation. The Department has conducted a “**Financial**

Literacy Programme for Young Citizens" (CSR Project of Axis bank). The 10-hour programme held from January 21 to 23, 2021, was organised to provide practical training for students on the following concepts:-

- Importance of Investments and Financial Investment Opportunities
- Introduction to Securities Market (Process and Prerequisites to invest in Securities Market)
- Precautions while investing in the Securities Market.
- Investor Protection and Grievance Redressal Mechanism

This Financial Education for young citizens endeavours to impart them with the following objectives:-

- Deeper awareness about the career opportunities available in the Securities Market and Financial Services
- Deeper awareness about Entrepreneurial Opportunities available in the Securities Market
- Empowering students to face interviews in the financial services industry
- Creating awareness about the personal finance framework
- Creating awareness about the prerequisites of investing in the Securities Market
- Creating awareness about the risks involved while investing in the Securities Market
- Capability Building for Evaluation of Investment Opportunities in the Securities Market
- A better understanding of the Securities Market

E-certificates were issued to all students who participated and scored above 60% marks.

Faculty Coordinator

Omveer Singh
