

**Report on:** Cyber Security Knowledge Empowerment Workshop for Students

**Resource Person:** Mr. Sukhdeo Prasad

**Participation:** Firozabad Police

**Event Summary:**

Cyber Security Knowledge Empowerment Workshop for Students organized by Faculty of Law J S U

Department of Law ,J.S.University strives to generate young lawyers, judicial officers and legal advisors who are financially capable and independent citizens of the nation. The Department has conducted a “**Cyber Security Workshop**” (By Firozabad Police ). The two-day programme held from May 23 to 24, 2023, was organised to provide practical training for students of law on the following concepts:-

- To prevent data breaches and identity theft by safeguarding sensitive information from hackers, cybercriminals, and other malicious actors.
- To ensure business continuity and resilience by minimizing the impact of cyberattacks on the operations, reputation, and finances of organizations.
- To comply with legal and regulatory requirements by adhering to the standards and best practices of cyber security governance, risk management, and compliance.

- To foster trust and confidence among customers, partners, and stakeholders by demonstrating a commitment to cyber security and data protection.
- To promote innovation and competitiveness by enabling the safe and secure use of emerging technologies and digital services.

This Cyber Education for young citizens endeavours to impart them with the following objectives:-

- Implementing access control mechanisms
- Applying patch management and configuration management processes
- Implementing encryption techniques
- Using password management tools
- Conducting verification and validation procedures
- Applying incident analysis techniques
- Using security development methodologies
- Applying security testing tools and techniques
