

## Event Report: Under AlmaBetter Collaboration with J S University

### **Event: Career Development Workshop**

**Date:** April 10, 2019

**Venue:** Seminar Hall, J S University

### **Speakers:**

AlmaBetter: Vansika Raj,( Career Coach, Data Scientist)

J S University: Placement Officer, Alumni

### **Report:**

On April 10, 2019, a Career Development Workshop was conducted as part of the collaboration between AlmaBetter and J S University. The workshop, aimed at final year students, covered crucial aspects of job readiness, including resume building, interview preparation, and networking strategies. AlmaBetter's Career Coach shared insights on industry trends and expectations, while a Data Scientist from AlmaBetter conducted a hands-on session on data analytics. The Placement Officer from J S University provided guidance on campus placement processes, and an alumnus shared their success story, inspiring current students. The workshop was well-received, with interactive sessions and practical advice enhancing students' career prospects.

## **Event : Data Science Bootcamp**

**Date:** May 2025, 2019

**Venue:** Computer Science Lab, J S University

### **Instructors:**

**AlmaBetter:** Senior Data Scientist, Machine Learning Expert

**J S University:** Faculty Members

### **Report:**

From May 20 to 25, 2019, a weeklong Data Science Bootcamp was held at J S University, conducted by expert instructors from AlmaBetter and supported by the university's faculty. The bootcamp focused on fundamental and advanced topics in data science, including data preprocessing, statistical analysis, machine learning algorithms, and data visualization. Participants engaged in hands-on projects, group activities, and coding challenges, gaining practical experience and deepening their understanding of data science concepts. The bootcamp culminated in a project presentation, where students showcased their work to peers and instructors, receiving constructive feedback and encouragement. The event was a significant step towards equipping students with the skills needed for careers in data science.

## **Event : Alumni Industry Connect Webinar**

**Date:** June 15, 2020

**Venue:** Online (Zoom)

### **Panelists:**

**AlmaBetter:** Industry Partners, Alumni

**J S University:** Recent Graduates, Faculty

### **Report:**

An Alumni Industry Connect Webinar was organized on June 15, 2020, facilitating interactions between recent graduates of J S University, industry experts from AlmaBetter's network, and successful alumni. The online event provided a platform for discussing career opportunities, industry expectations, and professional growth. Panelists shared their career journeys, challenges faced, and success strategies. The interactive Q&A session allowed students to seek advice and network with industry professionals. The webinar fostered a sense of community and provided valuable insights into various career paths, enhancing students' understanding of the professional landscape.
