

Event Report : Joint Research Symposium

Date: November 15, 2022

Location: J S University, Research Center

Event Overview:

A Joint Research Symposium was organized as part of the collaboration between J S University and Future Group of Institutions. The symposium focused on showcasing research work and fostering collaboration in various fields of study.

Highlights:

- **Introduction:** The symposium was introduced by Dr. Amit Kumar Chaturvedi, Director of Research at J S University, who highlighted the importance of joint research efforts.
- **Research Presentations:** Researchers from both institutions presented their work on topics including technology, management, and social sciences.
- **Panel Discussion:** A panel discussion featured experts from both institutions discussing the future of collaborative research and identifying new research opportunities.
- **Q&A Session:** Attendees participated in a Q&A session, engaging with presenters and panelists to explore research findings and potential applications.

Outcome:

The symposium facilitated knowledge exchange and collaboration between researchers from both institutions, promoting advancements in various research areas.

Event Report : Professional Development and Training Program

Date: November 30, 2021

Location: J S University, Training Hall

Event Overview:

A Professional Development and Training Program was conducted to provide students with practical skills and knowledge relevant to the industry, facilitated by experts from Future Group of Institutions.

Highlights:

- **Opening Address:** The program was opened by Dr.Gurav Gupta, Dean of Commerce at J S University, who emphasized the importance of industry-relevant skills.
- **Training Sessions:** Experts from Future Group conducted sessions on topics such as leadership development, project management, and emerging industry trends.
- **Interactive Workshops:** Participants engaged in interactive workshops, applying concepts and skills in practical scenarios and receiving feedback from trainers.
- **Feedback and Evaluation:** A feedback session allowed participants to share their experiences and suggest improvements for future programs.

Outcome:

The training program equipped students with valuable skills and knowledge, enhancing their readiness for professional roles and increasing their competitiveness in the job market.
