Event Report : Technical Training Workshop

Date: August 15, 2020
Location: J S University, IT Lab

Event Overview:
A technical training workshop was conducted as part of the collaboration between J S University and Aptron Noida. The workshop aimed to provide students with hands-on experience in the latest technological tools and techniques.

Highlights:

- **Introduction:** The workshop was introduced by Prof.Sukriti Jain, Head of the IT Department at J S University, who emphasized the importance of practical experience in technical education.
- **Training Sessions:** Trainers from Aptron Noida conducted sessions on topics such as cloud computing, data analytics, and cybersecurity, providing students with real-world applications of these technologies.
- **Hands-On Exercises:** Participants engaged in practical exercises, allowing them to apply what they learned in a controlled environment.
- **Feedback Session:** A feedback session provided students with an opportunity to share their experiences and suggestions for future workshops.

Outcome:
The workshop equipped students with valuable technical skills and practical experience, enhancing their readiness for industry challenges and opportunities.

Event Report : Industry Insight Seminar

Date: August 25, 2020
Location: J S University, Conference Room

Event Overview:
An Industry Insight Seminar was organized to give students and faculty a deeper understanding of current trends and future directions in the technology sector, facilitated by experts from Aptron Noida.

Highlights:

- **Opening Remarks:** The seminar was inaugurated by Dr. P. P. Singh , Dean of Student Affairs at J S University, who highlighted the relevance of industry insights in shaping academic curricula.
- **Expert Presentations:** Industry experts from Aptron Noida delivered presentations on emerging technologies, career prospects in tech fields, and industry challenges.
- **Interactive Discussions:** Interactive discussions allowed attendees to engage with the speakers, ask questions, and explore potential career paths and industry developments.
- **Networking Opportunities:** The seminar provided ample opportunities for students and faculty to network with industry professionals and explore collaboration possibilities.

Outcome:
The seminar offered valuable industry insights, helping students and faculty stay informed about technological advancements and career opportunities in the tech sector.
