

Event Report : Joint Research Symposium

Date: November 15, 2022

Location: J S University, Research Lab

Event Overview:

A Joint Research Symposium was organized as part of the collaboration between J S University and IFTM University. The symposium aimed to showcase ongoing research projects and explore new avenues for collaborative research.

Highlights:

- **Opening Remarks:** The symposium was opened by Dr. Amit Kumar Chaturvedi, Dean of Research at J S University, who emphasized the importance of collaborative research in advancing academic knowledge.
- **Research Presentations:** Researchers from both universities presented their work on various topics, including advancements in technology, environmental sustainability, and social sciences.
- **Panel Discussion:** A panel discussion provided an opportunity for attendees to discuss research findings, share insights, and explore future research directions.
- **Interactive Q&A:** The session included an interactive Q&A where participants engaged with researchers to gain deeper insights into their work.

Outcome:

The symposium fostered academic collaboration and knowledge sharing between the two institutions, setting the stage for future joint research initiatives.

Event Report : Faculty Development Workshop

Date: November 30, 2022

Location: J S University, Faculty Lounge

Event Overview:

A Faculty Development Workshop was conducted to enhance teaching methodologies and academic skills, facilitated by experts from IFTM University. The workshop aimed to provide faculty members with new strategies and techniques for effective teaching.

Highlights:

- **Introduction:** The workshop was introduced by Dr. Vishnu Singh Rathore, Head of the Faculty Development Center at J S University, who highlighted the goals of the workshop.
- **Training Sessions:** Faculty members from IFTM University led sessions on innovative teaching methods, curriculum design, and student engagement strategies.
- **Interactive Activities:** Participants engaged in interactive activities, including group discussions and practical exercises, to apply the new techniques in their teaching practices.
- **Feedback Session:** A feedback session allowed participants to share their experiences and discuss how they plan to implement the strategies in their classrooms.

Outcome:

The workshop equipped faculty members with new teaching techniques and strategies, enhancing their ability to deliver high-quality education and engage students effectively.
