Event Report : Software Solutions Workshop

Date: October 15, 2020
Location: J S University, IT Lab

Event Overview:
A Software Solutions Workshop was organized as part of the collaboration with ZOHO. The workshop aimed to provide students and faculty with hands-on experience with ZOHO's suite of software products.

Highlights:

- **Introduction:** The workshop was introduced by Divyanshu Gupta, Head of the IT Department at J S University, who emphasized the importance of understanding enterprise software solutions.
- **Training Sessions:** Experts from ZOHO conducted sessions on various products, including ZOHO CRM, ZOHO Projects, and ZOHO Analytics. The sessions included demonstrations and interactive exercises.
- **Hands-On Activities:** Participants engaged in hands-on activities, using ZOHO's software to complete real-world tasks and scenarios.
- **Q&A Session:** A Q&A session allowed attendees to ask questions about the software and discuss its applications in business and academic settings.

Outcome:
The workshop provided participants with practical knowledge and experience using ZOHO's software solutions, enhancing their ability to apply these tools in both academic and professional contexts.

Event Report : Tech and Career Development Seminar

Date: October 30, 2020
Location: J S University, Conference Room

Event Overview:
A Tech and Career Development Seminar was conducted to provide students with insights into career opportunities in the tech industry and the skills required for success, facilitated by ZOHO professionals.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr. P. P. Singh, Dean of Student Affairs at J S University, who welcomed the ZOHO representatives and outlined the seminar's objectives.
- **Expert Presentations:** Professionals from ZOHO delivered presentations on industry trends, career paths in technology, and the skills needed for various roles.
- **Panel Discussion:** A panel discussion featured ZOHO employees who shared their career experiences, offered advice on skill development, and answered students' questions.
- **Networking Opportunities:** The seminar included networking opportunities, allowing students to connect with industry professionals and explore potential career paths.

Outcome:
The seminar provided students with valuable career insights and guidance, helping them understand industry demands and develop the skills necessary for success in the technology sector.
