**Event Report : Workshop on Advanced Research Techniques**

**Date:** July 20, 2020
**Location:** J S University, Research Lab

**Event Overview:**
A workshop on Advanced Research Techniques was conducted as part of the collaborative efforts between J S University and Amity University Lucknow. The workshop aimed to equip participants with the latest tools and methodologies in research.

**Highlights:**

- **Introduction:** The workshop was inaugurated by Dr. Amit Chaturvedi, Dean of Research at J S University, who introduced the goals and objectives of the workshop.
- **Sessions:** Experts from both institutions delivered sessions on topics such as data analysis, experimental design, and emerging research technologies.
- **Hands-On Activities:** Participants engaged in practical sessions to apply the techniques discussed and gain hands-on experience.
- **Q&A Session:** A lively Q&A session allowed participants to clarify doubts and discuss research challenges with the experts.

**Outcome:**
The workshop provided valuable insights and practical skills to researchers from both institutions, promoting the use of advanced techniques in their respective research projects.

**Event Report : Joint Symposium on Emerging Trends in Technology**

**Date:** July 30, 2020
**Location:** J S University, Conference Hall

**Event Overview:**
A joint symposium on Emerging Trends in Technology was held to discuss the latest advancements and their implications. The event was a collaborative effort between Amity University Lucknow and J S University.

**Highlights:**

- **Opening Ceremony:** The symposium was inaugurated by Dr. Rupali Sharma, Head of the Technology Department at J S University, and Prof. Ravi Mehta from Amity University Lucknow.
- **Keynote Addresses:** Leading experts delivered keynote addresses on topics such as artificial intelligence, blockchain technology, and cybersecurity.
- **Panel Discussions:** Panel discussions provided a platform for in-depth analysis and debate on the impact of these technologies on various sectors.
- **Networking Opportunities:** Attendees had the chance to network with industry experts, researchers, and academics.

**Outcome:**
The symposium facilitated a rich exchange of knowledge and ideas, fostering collaboration between the institutions and providing valuable insights into the future of technology.
