

Event Report : Technology Innovation Workshop

Date: November 15, 2021

Location: J S University, IT Lab

Event Overview:

A Technology Innovation Workshop was organized as part of the collaboration between J S University and HSC. The workshop focused on emerging technologies and their applications.

Highlights:

- **Introduction:** The workshop was introduced by the Ms. Sukriti Jain. IT Department at J S University, who highlighted the importance of innovation in technology education.
- **Workshop Sessions:** HSC experts conducted sessions on topics such as artificial intelligence, machine learning, and blockchain technology, demonstrating real-world applications and use cases.
- **Hands-On Activities:** Participants engaged in hands-on activities, working with the latest tools and technologies under the guidance of HSC professionals.
- **Q&A Session:** A Q&A session allowed students to ask questions about the technologies discussed and seek advice on pursuing careers in tech innovation.

Outcome:

The workshop provided students with valuable insights into emerging technologies and practical experience in their application, preparing them for careers in the tech industry.

Event Report: Career Development and Mentorship Program

Date: November 25, 2022

Location: J S University, Career Services Center

Event Overview:

A Career Development and Mentorship Program was launched to support students in their career planning and professional growth, facilitated by Hughes Systique Corporation (HSC).

Highlights:

- **Opening Remarks:** The program was introduced by Ms. Rupali Sharma, Head of Career Services at J S University, who emphasized the importance of mentorship in career development.
- **Mentorship Sessions:** HSC professionals conducted one-on-one mentorship sessions with students, providing guidance on career paths, skill development, and job search strategies.
- **Panel Discussion:** A panel discussion featured HSC employees sharing their career journeys and offering advice on navigating the tech industry.
- **Networking Opportunities:** The program included networking opportunities for students to connect with HSC professionals and learn about potential job and internship opportunities.

Outcome:

The mentorship program helped students gain clarity on their career goals, develop essential skills, and build connections with industry professionals, enhancing their employability.
