Event Report : Digital Library Training Workshop

Date: March 15, 2021
Location: J S University, Library Training Centre

Event Overview:
A Digital Library Training Workshop was organized as part of the collaboration with INFLIBNET. The workshop aimed to provide library staff and students with hands-on experience in using advanced digital library systems and tools.

Highlights:

- **Introduction:** The workshop was introduced by Dr Gaurav Yadav, Director General at J S University, who emphasized the importance of digital skills in modern library management.
- **Training Sessions:** Experts from INFLIBNET conducted sessions on topics such as digital library management, resource indexing, and using digital tools for research. The sessions included practical demonstrations and interactive exercises.
- **Hands-On Activities:** Participants engaged in hands-on activities, including setting up digital library systems, managing digital resources, and using advanced search functionalities.
- **Q&A Session:** A Q&A session allowed attendees to ask questions about digital library tools and discuss their implementation in academic libraries.

Outcome:
The workshop equipped participants with practical skills and knowledge in managing digital library systems, enhancing their ability to support research and learning in a digital environment.

Event Report : Library Resource Sharing Seminar

Date: March 25, 2020
Location: J S University, Conference Room

Event Overview:
A Library Resource Sharing Seminar was conducted to explore opportunities for resource sharing and collaboration between J S University and other institutions through INFLIBNET's network.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr Gaurav Yadav, Director General at J S University, who welcomed the INFLIBNET representatives and outlined the seminar's objectives.
- **Expert Presentations:** Professionals from INFLIBNET delivered presentations on resource sharing networks, inter-library loan systems, and collaborative initiatives among academic libraries.
- **Panel Discussion:** A panel discussion featured experts from both J S University and INFLIBNET who shared their insights on resource sharing challenges, opportunities, and strategies for effective collaboration.
- **Networking Opportunities:** The seminar included networking opportunities, allowing attendees to connect with library professionals from other institutions and discuss potential collaborations.

Outcome:
The seminar facilitated discussions on resource sharing and collaboration, paving the way for enhanced cooperation between J S University and other libraries through INFLIBNET's network.
