Event Report 2: Joint Research Symposium

Date: June 15, 2021
Location: J S University, Research Lab

Event Overview:
A Joint Research Symposium was organized as part of the collaboration with Nirma University. The symposium aimed to showcase ongoing research and explore new avenues for collaborative research projects.

Highlights:

- **Introduction:** The symposium was introduced by Dr Amit Kumar Chaturvedi, Dean of Research at J S University, who emphasized the importance of collaborative research in advancing knowledge.
- **Research Presentations:** Researchers from both universities presented their work on various topics, including advancements in technology, engineering, and social sciences.
- **Panel Discussion:** A panel discussion provided an opportunity for attendees to discuss research findings, share insights, and explore potential areas for future collaboration.
- **Interactive Q&A:** An interactive Q&A session allowed participants to engage with researchers, ask questions, and discuss specific research interests.

Outcome:
The symposium facilitated academic collaboration and knowledge sharing between J S University and Nirma University, setting the stage for future joint research initiatives.

Event Report : Faculty Development Workshop

Date: June 30, 2020
Location: J S University, Faculty Lounge

Event Overview:
A Faculty Development Workshop was conducted to enhance teaching methodologies and academic skills, facilitated by experts from Nirma University. The workshop aimed to provide faculty members with new strategies and techniques for effective teaching.

Highlights:

- **Introduction:** The workshop was introduced by Dr. Vishnu Singh Rathore, Head of Faculty Development at J S University, who outlined the objectives and importance of the workshop.
- **Training Sessions:** Faculty members from Nirma University led sessions on innovative teaching methods, curriculum development, and student engagement strategies.
- **Interactive Activities:** The workshop included interactive activities, group discussions, and practical exercises to apply new techniques in teaching.
- **Feedback Session:** A feedback session allowed participants to share their experiences and discuss how they plan to implement the strategies in their teaching practices.

Outcome:
The workshop equipped faculty members with new teaching techniques and strategies, enhancing their ability to deliver high-quality education and engage students effectively.
