

Event Report : Technology Innovation Workshop

Date: July 15, 2021

Location: J S University, Innovation Lab

Event Overview:

A Technology Innovation Workshop was organized as part of the collaboration with Samsung R&D Institute India. The workshop aimed to provide students and faculty with hands-on experience and insights into cutting-edge technologies.

Highlights:

- **Introduction:** The workshop was introduced by Dr Amit Kumar Chaturvedi, Director of the Innovation Lab at J S University, who emphasized the importance of staying at the forefront of technological advancements.
- **Training Sessions:** Experts from Samsung R&D Institute India conducted sessions on emerging technologies such as AI, IoT, and 5G. The sessions included practical demonstrations and interactive discussions.
- **Hands-On Activities:** Participants engaged in hands-on activities, including technology demos and problem-solving exercises, to apply their learning in real-world scenarios.
- **Feedback and Discussion:** A feedback session allowed participants to share their experiences and discuss how the new technologies could be integrated into their research and academic work.

Outcome:

The workshop provided participants with practical knowledge and experience in advanced technologies, enhancing their understanding and application of cutting-edge innovations.

Event Report : Research and Development Seminar

Date: July 30, 2022

Location: J S University, Conference Room

Event Overview:

A Research and Development Seminar was conducted to discuss the latest trends in R&D and explore collaborative research opportunities between J S University and Samsung R&D Institute India.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr. Amit Kumar Chaturvedi, Dean of Research at J S University, who welcomed the Samsung R&D Institute India representatives and outlined the seminar's objectives.
- **Expert Presentations:** Researchers from Samsung R&D Institute India delivered presentations on recent advancements in technology, ongoing research projects, and future trends.
- **Panel Discussion:** A panel discussion featured experts from both institutions who shared their insights on research challenges, opportunities for collaboration, and strategies for innovation.
- **Networking Opportunities:** The seminar provided networking opportunities, allowing attendees to connect with industry and academic professionals and discuss potential research partnerships.

Outcome:

The seminar facilitated knowledge exchange and collaboration between J S University and Samsung R&D Institute India, fostering new research initiatives and innovative solutions.
