

## Event Report 2: Technology Workshop

**Date:** August 15, 2021

**Location:** J S University, IT Lab

### Event Overview:

A Technology Workshop was organized as part of the collaboration with Vivo Soft Technologies Noida. The workshop aimed to provide students and faculty with practical knowledge of advanced technology and software solutions.

### Highlights:

- **Introduction:** The workshop was introduced by Divyanshu Gupta, Head of the IT Department at J S University, who highlighted the workshop's objectives and relevance.
- **Training Sessions:** Experts from Vivo Soft Technologies conducted sessions on topics such as software development, cloud computing, and cybersecurity. The sessions included hands-on demonstrations and practical exercises.
- **Project Work:** Participants worked on technology projects provided by Vivo Soft Technologies, applying their skills in real-world scenarios and receiving feedback from industry professionals.
- **Q&A Session:** A Q&A session allowed attendees to discuss their experiences and ask questions about the technologies and their applications.

### Outcome:

The workshop equipped participants with practical skills and insights into advanced technologies, enhancing their understanding and application of current tech solutions.

## **Event Report : Career Development Seminar**

**Date:** August 30, 2021

**Location:** J S University, Conference Room

### **Event Overview:**

A Career Development Seminar was conducted to provide students with information on career opportunities in the technology sector and insights into the skills required for success.

### **Highlights:**

- **Opening Remarks:** The seminar was opened by Dr. P. P. Singh, Dean of Student Affairs at J S University, who welcomed the Vivo Soft Technologies representatives and outlined the seminar's objectives.
- **Expert Presentations:** Professionals from Vivo Soft Technologies delivered presentations on industry trends, career paths in technology, and the skills needed for various roles in the tech sector.
- **Panel Discussion:** A panel discussion featured Vivo Soft employees who shared their career journeys, offered advice on skill development, and answered students' questions about working in technology.
- **Networking Opportunities:** The seminar included networking opportunities, allowing students to connect with industry professionals and explore potential career paths.

### **Outcome:**

The seminar provided students with valuable career insights and guidance, helping them understand industry demands and develop the skills necessary for success in the technology sector.
