

Event Report : Engineering Innovation Workshop

Date: July 10, 2022

Location: J S University, Engineering Lab

Event Overview:

An Engineering Innovation Workshop was organized as part of the collaboration with Bosch Limited. The workshop focused on advanced engineering techniques and technologies.

Highlights:

- **Introduction:** The workshop was introduced by Er Divyanshu Gupta, Head of the Engineering Department at J S University, who welcomed the Bosch Limited team and outlined the workshop's objectives.
- **Training Sessions:** Experts from Bosch Limited conducted sessions on advanced engineering techniques, including automation, robotics, and smart technologies. The sessions included practical demonstrations and case studies.
- **Hands-On Activities:** Participants engaged in hands-on activities such as working with automation systems, programming robotics, and applying smart technology solutions to real-world problems.
- **Q&A Session:** A Q&A session allowed attendees to discuss technical challenges and seek advice from Bosch experts on advanced engineering topics.

Outcome:

The workshop provided participants with practical skills and knowledge in advanced engineering technologies, enhancing their technical expertise and readiness for careers in the field.

Event Report : Technology and Research Seminar

Date: July 20, 2022

Location: J S University, Conference Hall

Event Overview:

A Technology and Research Seminar was conducted to explore advancements in technology and research through the collaboration with Bosch Limited.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr. Amit Kumar Chaturvedi, Dean of Research at J S University, who welcomed Bosch Limited representatives and outlined the seminar's goals.
- **Expert Presentations:** Speakers from Bosch Limited delivered presentations on recent advancements in technology, research trends, and the impact of new technologies on various industries. They shared insights into Bosch Limited's latest innovations and research projects.
- **Panel Discussion:** A panel discussion featured experts from both institutions who discussed the future of technology, emerging research areas, and opportunities for collaborative research projects.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with industry professionals, researchers, and technology experts.

Outcome:

The seminar facilitated discussions on technological advancements and research trends, provided insights into Bosch Limited's innovations, and explored opportunities for further collaboration between J S University and Bosch Limited.
