

Event Report : Research Collaboration Workshop

Date: August 25, 2022

Location: J S University, Research Center

Event Overview:

A Research Collaboration Workshop was organized as part of the collaboration with IIT Kanpur. The workshop aimed to explore joint research opportunities and methodologies.

Highlights:

- **Introduction:** The workshop was introduced by Dr. Amit Kumar Chaturvedi, Head of Research at J S University, who welcomed IIT Kanpur representatives and outlined the workshop's objectives.
- **Training Sessions:** Researchers from IIT Kanpur conducted sessions on advanced research methodologies, collaborative research models, and funding opportunities. The sessions included presentations and interactive discussions.
- **Hands-On Activities:** Participants engaged in hands-on activities, including developing research proposals and designing collaborative research projects.
- **Q&A Session:** A Q&A session allowed attendees to discuss research challenges and opportunities with experts from both institutions.

Outcome:

The workshop facilitated discussions on joint research opportunities and provided participants with practical tools and strategies for successful research collaborations.

Event Report : Technology Transfer Seminar

Date: August 30, 2022

Location: J S University, Innovation Hub

Event Overview:

A Technology Transfer Seminar was conducted to explore technology transfer opportunities and collaborative projects between J S University and IIT Kanpur.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr Gaurav Yadav, Director General at J S University, who welcomed the IIT Kanpur team and outlined the seminar's goals.
- **Expert Presentations:** Experts from IIT Kanpur presented on technology transfer processes, successful case studies, and strategies for commercializing research innovations. They also discussed opportunities for joint technology development.
- **Panel Discussion:** A panel discussion featured experts from both institutions who shared their experiences with technology transfer and discussed strategies for successful commercialization of research innovations.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with technology experts, researchers, and industry professionals.

Outcome:

The seminar provided valuable insights into technology transfer and commercialization, fostering new opportunities for collaborative projects and technology development between J S University and IIT Kanpur.
