

Event Report : Networking Solutions Workshop

Date: April 15, 2021

Location: J S University, IT Lab

Event Overview:

A Networking Solutions Workshop was organized as part of the collaboration with NETWAY. The workshop aimed to introduce students and faculty to NETWAY's networking technologies and solutions.

Highlights:

- **Introduction:** The workshop was introduced by Ms. Sukriti Jain, Head of the IT Department at J S University, who emphasized the importance of understanding advanced networking technologies.
- **Training Sessions:** Experts from NETWAY conducted sessions on topics such as network design, security solutions, and cloud networking. They demonstrated the practical applications of these technologies.
- **Hands-On Activities:** Participants engaged in hands-on activities, including network setup and troubleshooting exercises, to gain practical experience with NETWAY's solutions.
- **Q&A Session:** A Q&A session allowed attendees to ask questions about the technologies and discuss their applications in academic and professional settings.

Outcome:

The workshop provided valuable insights and practical skills related to networking technologies, helping students and faculty effectively use NETWAY's solutions in their academic and research activities.

Event Report 3: IT and Networking Career Development Seminar

Date: April 30, 2022

Location: J S University, Conference Room

Event Overview:

An IT and Networking Career Development Seminar was conducted to provide students with information on career opportunities in the IT and networking sectors and insights into the skills required for success.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr. P. P. Singh, Dean of Student Affairs at J S University, who welcomed the NETWAY representatives and outlined the seminar's objectives.
- **Expert Presentations:** Professionals from NETWAY delivered presentations on current trends in IT and networking, career paths in the industry, and the skills needed for various roles.
- **Panel Discussion:** A panel discussion featured NETWAY employees who shared their career experiences, offered advice on skill development, and answered students' questions about working in the IT and networking fields.
- **Networking Opportunities:** The seminar included networking opportunities, allowing students to connect with industry professionals and explore potential career paths.

Outcome:

The seminar provided students with valuable career insights and guidance, helping them understand industry trends and develop the skills necessary for success in the IT and networking sectors.
