

## Event Report 2: Technology Training Workshop

**Date:** March 15, 2022

**Location:** J S University, Technology Lab

### Event Overview:

A Technology Training Workshop was organized as part of the collaboration with Relicum Technologies Pvt. Ltd. The workshop aimed to provide students and faculty with practical skills and knowledge in the latest technology trends and tools.

### Highlights:

- **Introduction:** The workshop was introduced by Ms Sukriti Jain, Head of the Department of Computer Science at J S University, who welcomed Relicum Technologies representatives and outlined the workshop's objectives.
- **Training Sessions:** Experts from Relicum Technologies conducted sessions on topics such as artificial intelligence, blockchain technology, and advanced software development tools. The sessions included practical demonstrations and interactive exercises.
- **Hands-On Activities:** Participants engaged in hands-on activities, including working on technology projects and utilizing advanced tools and platforms provided by Relicum Technologies.
- **Q&A Session:** A Q&A session allowed attendees to discuss technical queries and seek advice from experts on emerging technology trends and career opportunities.

### Outcome:

The workshop provided participants with practical knowledge and skills in advanced technologies, enhancing their ability to innovate and contribute to the tech industry.

### Event Report 3: Innovation and Research Seminar

**Date:** March 25, 2023

**Location:** J S University, Conference Hall

#### Event Overview:

An Innovation and Research Seminar was conducted to explore advancements in technology and research through the collaboration between J S University and Relicum Technologies Pvt. Ltd.

#### Highlights:

- **Opening Remarks:** The seminar was opened by Dr. Gaurav Yadav, Director General at J S University, who welcomed the Relicum Technologies team and outlined the seminar's goals.
- **Expert Presentations:** Speakers from Relicum Technologies delivered presentations on cutting-edge innovations, research trends in technology, and successful case studies of technological advancements. They shared insights into the impact of these technologies on various industries.
- **Panel Discussion:** A panel discussion featured experts from both institutions who discussed the future of technology research, strategies for fostering innovation, and the role of industry-academia collaborations.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with industry professionals, researchers, and academic leaders.

#### Outcome:

The seminar facilitated discussions on technology innovation and research, providing a platform for exploring new trends and collaborative opportunities between J S University and Relicum Technologies.
