

## Event Report 2: Security Technology Workshop

**Date:** February 20, 2022

**Location:** J S University, Engineering Lab

### Event Overview:

A Security Technology Workshop was organized as part of the collaboration with Shivani Locks Pvt. Ltd. The workshop aimed to provide students and faculty with hands-on experience and knowledge in the latest security technologies.

### Highlights:

- **Introduction:** The workshop was introduced by Dr Gaurav Yadav, Director General at J S University, who welcomed the Shivani Locks team and outlined the workshop's objectives.
- **Training Sessions:** Experts from Shivani Locks conducted sessions on advanced security technologies, including smart locks, electronic access control systems, and the latest trends in security innovation. The sessions included practical demonstrations and interactive discussions.
- **Hands-On Activities:** Participants engaged in hands-on activities, including working with security technology prototypes and understanding their applications in real-world scenarios.
- **Q&A Session:** A Q&A session allowed attendees to discuss technical aspects of security technology and seek advice from experts on industry trends and best practices.

### Outcome:

The workshop provided participants with practical knowledge and skills in security technology, enhancing their understanding of industry innovations and preparing them for careers in the security sector.

## Event Report : Industry-Academia Collaboration Seminar

**Date:** February 28, 2022

**Location:** J S University, Conference Hall

### Event Overview:

An Industry-Academia Collaboration Seminar was conducted to explore opportunities for integrating industry practices into academic programs through the collaboration between J S University and Shivani Locks Pvt. Ltd.

### Highlights:

- **Opening Remarks:** The seminar was opened by Dr. Amit Kumar Chaturvedi, Dean of the Faculty of Engineering at J S University, who welcomed the Shivani Locks representatives and outlined the seminar's goals.
- **Expert Presentations:** Speakers from Shivani Locks delivered presentations on the importance of industry-academia partnerships, the role of innovation in security technology, and successful case studies of collaborative projects.
- **Panel Discussion:** A panel discussion featured experts from both institutions who discussed strategies for integrating industry practices into academic curricula, enhancing student learning experiences, and fostering innovation.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with industry professionals, academic leaders, and students.

### Outcome:

The seminar facilitated discussions on integrating industry practices into academic programs and provided a platform for developing new initiatives to enhance collaboration between J S University and Shivani Locks.
