**Event Report: IT Management Training Workshop**

**Date:** April 30, 2021
**Location:** J S University, IT Management Lab

**Event Overview:**
An IT Management Training Workshop was organized as part of the collaboration with MSLG College of IT Management. The workshop aimed to provide students and faculty with advanced skills and knowledge in IT management.

**Highlights:**

- **Introduction:** The workshop was introduced by Dr Gaurav Yadav, Director General at J S University, who welcomed the MSLG College team and outlined the workshop's objectives.
- **Training Sessions:** Experts from MSLG College conducted sessions on topics such as IT project management, strategic IT planning, and technology innovation. The sessions included practical exercises and case studies.
- **Hands-On Activities:** Participants engaged in hands-on activities, including project management simulations, strategic planning exercises, and technology trend analysis to apply their skills in real-world scenarios.
- **Q&A Session:** A Q&A session allowed attendees to discuss challenges in IT management and seek advice from experts on effective management strategies and best practices.

**Outcome:**
The workshop provided participants with practical skills and knowledge in IT management, enhancing their ability to manage IT projects and strategies effectively.

**Event Report : International IT Management Seminar**

**Date:** May 10, 2027
**Location:** J S University, Conference Hall

**Event Overview:**
An International IT Management Seminar was conducted to explore advancements in IT management and international collaboration through the partnership between J S University and MSLG College of IT Management.

**Highlights:**

- **Opening Remarks:** The seminar was opened by Dr. Amit Kumar Chaturvedi, Dean of Academic Affairs at J S University, who welcomed the MSLG College team and outlined the seminar's goals.
- **Expert Presentations:** Speakers from MSLG College delivered presentations on global trends in IT management, cross-cultural management practices, and successful international IT projects. They shared insights into the impact of these trends on global IT management practices.
- **Panel Discussion:** A panel discussion featured experts from both institutions who discussed the future of IT management education, strategies for international collaboration, and the role of technology in global business.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with international academic leaders, IT professionals, and researchers.

**Outcome:**
The seminar facilitated discussions on international IT management trends and provided a platform for exploring new opportunities for global collaboration and knowledge exchange.
