

Event Report : Digital Infrastructure Upgrade Workshop

Date: April 15, 2022

Location: J S University, IT Department

Event Overview:

A Digital Infrastructure Upgrade Workshop was organized as part of the collaboration with Netway Broadband Services. The workshop aimed to discuss and implement improvements in the university's digital infrastructure.

Highlights:

- **Introduction:** The workshop was introduced by Ms. Sukriti Jain, Head of the IT Department at J S University, who welcomed the Netway Broadband Services team and outlined the workshop's objectives.
- **Presentation on Upgrades:** Experts from Netway Broadband Services presented plans for upgrading the university's internet infrastructure, including high-speed broadband installation, network enhancements, and advanced digital tools.
- **Implementation Planning:** Participants engaged in discussions on the implementation timeline, resource requirements, and technical specifications for the infrastructure upgrades.
- **Q&A Session:** A Q&A session allowed attendees to address technical queries and discuss potential challenges and solutions for the upgrade process.

Outcome:

The workshop provided a detailed plan for upgrading the university's digital infrastructure, ensuring a smooth implementation process and enhancing overall connectivity and digital resources.

Event Report 3: Digital Learning Integration Seminar

Date: April 25, 2023

Location: J S University, Conference Hall

Event Overview:

A Digital Learning Integration Seminar was conducted to explore the integration of enhanced digital resources into academic programs through the collaboration with Netway Broadband Services.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr. Amit Kumar Chaturvedi, Dean of Academic Affairs at J S University, who welcomed the Netway Broadband Services team and outlined the seminar's goals.
- **Expert Presentations:** Speakers from Netway Broadband Services delivered presentations on integrating high-speed internet and digital tools into educational programs, including benefits for online learning, research, and remote collaboration.
- **Panel Discussion:** A panel discussion featured experts from both institutions who discussed strategies for leveraging digital resources to enhance teaching and learning experiences, and the role of technology in modern education.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with educators, industry professionals, and technology experts.

Outcome:

The seminar facilitated discussions on integrating digital resources into academic programs and provided a platform for exploring new ways to enhance education through technology.
