

Event Report : Cisco Networking Academy Workshop

Date: October 25, 2022

Location: J S University, IT Training Center

Event Overview:

A Cisco Networking Academy Workshop was organized as part of the collaboration with NIIT Foundations. The workshop aimed to provide students and faculty with hands-on training in networking technologies and Cisco certification programs.

Highlights:

- **Introduction:** The workshop was introduced by Dr Gaurav Yadav, Director General at J S University, who welcomed the NIIT Foundations representatives and outlined the workshop's objectives.
- **Training Sessions:** Experts from NIIT Foundations conducted sessions on networking fundamentals, Cisco routing and switching technologies, and certification preparation. The sessions included practical demonstrations and interactive exercises.
- **Hands-On Labs:** Participants engaged in hands-on labs, working with networking equipment and simulation tools to gain practical experience in configuring and managing networks.
- **Q&A Session:** A Q&A session allowed attendees to discuss technical queries and seek advice from experts on networking technologies and Cisco certifications.

Outcome:

The workshop provided participants with valuable hands-on experience in networking technologies, enhancing their skills and preparing them for Cisco certification exams.

Event Report: IT Skill Development Seminar

Date: October 30, 2022

Location: J S University, Conference Hall

Event Overview:

An IT Skill Development Seminar was conducted to explore opportunities for enhancing IT skills and career development through the collaboration between J S University and NIIT Foundations.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr Gaurav Yadav, Director General at J S University, who welcomed NIIT Foundations representatives and outlined the seminar's goals.
- **Expert Presentations:** Speakers from NIIT Foundations delivered presentations on the importance of IT skills in the modern job market, the benefits of Cisco certifications, and career opportunities in the IT industry.
- **Panel Discussion:** A panel discussion featured experts from J S University and NIIT Foundations who shared their experiences with IT skill development and discussed strategies for career advancement in the technology sector.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with IT professionals, educators, and industry experts.

Outcome:

The seminar provided insights into IT skill development and career opportunities, helping students and professionals understand the value of Cisco certifications and the impact of advanced IT skills on career growth.
