

Event Report : Advanced Research Methodologies Workshop

Date: January 25, 2021

Location: J S University, Research Center

Event Overview:

An Advanced Research Methodologies Workshop was organized as part of the collaboration with Sodh Chakra. The workshop aimed to provide researchers and students with advanced techniques and tools for conducting high-quality research.

Highlights:

- **Introduction:** The workshop was introduced by Dr Gaurav Yadav, Director General at J S University, who welcomed the Sodh Chakra representatives and outlined the workshop's objectives.
- **Training Sessions:** Experts from Sodh Chakra conducted sessions on advanced research methodologies, including data analysis techniques, research design, and the use of cutting-edge research tools. The sessions included practical demonstrations and interactive discussions.
- **Hands-On Activities:** Participants engaged in hands-on activities, including designing research studies and analyzing data using advanced methodologies and tools provided by Sodh Chakra.
- **Q&A Session:** A Q&A session allowed attendees to discuss research challenges and seek advice from experts on improving their research practices.

Outcome:

The workshop provided participants with advanced knowledge and practical skills in research methodologies, enhancing their ability to conduct high-quality research and contribute to academic advancements.

Event Report : Innovation in Research Seminar

Date: January 30, 2022

Location: J S University, Conference Hall

Event Overview:

An Innovation in Research Seminar was conducted to explore new trends and innovations in research through the collaboration between J S University and Sodh Chakra.

Highlights:

- **Opening Remarks:** The seminar was opened by Dr. Amit Kumar Chaturvedi, Dean of Research at J S University, who welcomed Sodh Chakra representatives and outlined the seminar's goals.
- **Expert Presentations:** Speakers from Sodh Chakra delivered presentations on recent innovations in research methodologies, emerging research trends, and the impact of new technologies on research practices. They shared case studies and examples of successful research innovations.
- **Panel Discussion:** A panel discussion featured experts from both institutions who discussed the future of research, the role of innovation in advancing knowledge, and strategies for fostering a culture of research excellence.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with researchers, industry professionals, and academic leaders.

Outcome:

The seminar facilitated discussions on research innovation and provided a platform for exploring new trends and technologies in research, fostering a culture of innovation and excellence.
