

## **Event Report : International Education Workshop**

**Date:** June 15, 2023

**Location:** J S University, Conference Room

### **Event Overview:**

An International Education Workshop was organized as part of the collaboration with Berjaya University College. The workshop aimed to provide students and faculty with insights into international education trends and opportunities.

### **Highlights:**

- **Introduction:** The workshop was introduced by Dr Gaurav Yadav, Director General at J S University, who emphasized the importance of global perspectives in education.
- **Training Sessions:** Experts from Berjaya University College conducted sessions on international education trends, global learning opportunities, and strategies for effective international collaboration. The sessions included interactive discussions and case studies.
- **Interactive Activities:** Participants engaged in activities that highlighted the benefits of international education, including simulations and role-playing exercises to understand cross-cultural interactions.
- **Q&A Session:** A Q&A session allowed attendees to ask questions about international education and discuss potential opportunities for global academic partnerships.

### **Outcome:**

The workshop provided valuable insights into international education and collaboration, helping participants understand global learning opportunities and the benefits of international academic partnerships.

## **Event Report: Collaborative Research Seminar**

**Date:** June 30, 2022

**Location:** J S University, Research Center

### **Event Overview:**

A Collaborative Research Seminar was conducted to explore research opportunities and joint projects between J S University and Berjaya University College.

### **Highlights:**

- **Opening Remarks:** The seminar was opened by Dr. Amit Kumar Chaturvedi, Dean of Research at J S University, who welcomed the Berjaya University College representatives and outlined the seminar's goals.
- **Expert Presentations:** Researchers from both institutions delivered presentations on their ongoing research projects, research methodologies, and areas of mutual interest. They also discussed opportunities for joint research and funding.
- **Panel Discussion:** A panel discussion featured experts from J S University and Berjaya University College who shared their experiences with international research collaborations and discussed strategies for successful joint projects.
- **Networking Opportunities:** The seminar included networking opportunities, allowing participants to connect with researchers from both institutions and explore potential research collaborations.

### **Outcome:**

The seminar facilitated discussions on collaborative research and provided a platform for developing joint research projects, enhancing the research capabilities of both J S University and Berjaya University College.
