## Detailed Activities:

- **Introduction to Environmental Sustainability:**

The program began with an introductory session led by Ms. Anushka, Mr. Piyush Parashar, and Mr. Amit, experts in environmental strategy management. They provided an overview of global environmental challenges, discussed sustainable development goals, and emphasized the role of students in driving positive change.

- **Interactive Workshops and Discussions:**

Following the introductory session, students participated in interactive workshops and discussions. Topics included:

1. Sustainable practices in everyday life
2. Climate change mitigation strategies
3. Waste management techniques
4. Renewable energy solutions

- **Case Studies and Success Stories:**

To illustrate real-world applications of environmental sustainability, case studies and success stories were presented. These examples highlighted innovative projects and initiatives that have made a significant impact on reducing carbon footprint and promoting environmental conservation.

- **Q&A Session about environment sustenance:**

A Q&A session provided students with an opportunity to seek clarification on key concepts and engage in meaningful discussions with the experts. This interactive format encouraged critical thinking and deeper understanding of environmental issues.

- **Role of Students in 'Blue Nudge' Ambassador Program:**

The program introduced the 'Blue Nudge' ambassador program, encouraging students to become ambassadors of sustainability within the university community. They were briefed on their roles and responsibilities, which include promoting eco-friendly practices and organizing awareness campaigns.

○ **Awareness of Code of Conduct and Monitoring Committees**

1. Policy of Zero Tolerance in Discipline
2. Regulations and Legal Liabilities
3. Anti Ragging Policy
4. Prevention of Sexual Harassment (POSH)
5. Rights and Responsibilities
6. Anti Ragging Committee and Internal Complaint Committee
7. Feel Safe: Process of Complaint

○ **Participant Feedback:**

Students responded positively to the program, expressing enthusiasm for incorporating sustainable practices into their daily routines and academic pursuits. Many highlighted their intention to apply the knowledge gained to initiate green initiatives on campus and in their local communities. Participants shared their views on Code of Conduct and better confidence in ragging free university.

○ **Outcome**

The Student Orientation Program, in collaboration with Blue Planet Environmental Solutions Pvt. Ltd., Singapore, successfully raised awareness about environmental sustainability among students at J.S. University, Shikohabad. By equipping them with knowledge and practical tools, the program aims to empower students to become advocates for sustainable development and contribute towards building a greener future.

○ **Future Initiatives:**

Moving forward, J.S. University plans to integrate sustainability education into the curriculum and expand collaborative efforts with industry partners like Blue Planet Environmental Solutions Pvt. Ltd. The university remains committed to nurturing environmentally responsible leaders who can drive positive change in society.

### **Participants:**

The event witnessed enthusiastic participation from more than 800 students and faculty members representing disciplines such as engineering, science, arts, education, and commerce. Their involvement demonstrated a collective commitment to fostering environmental stewardship within the academic community.

### **Conclusion:**

The Orientation Program of Students, in partnership with Blue Planet Environmental Solutions Pvt. Ltd., Singapore, served as a catalyst for promoting environmental awareness and sustainability at J.S. University, Shikohabad. The active engagement of students and faculty members underscores the university's dedication to fostering a culture of environmental responsibility and innovation.

### **Future Prospects:**

Moving forward, J.S. University aims to build upon the success of this event by implementing sustainable practices across campus and strengthening collaborations with industry leaders. The 'Blue Nudge' ambassador program will continue to empower students to drive sustainable initiatives and inspire broader community engagement.

This event report reflects the transformative impact of collaborative efforts in promoting environmental sustainability within the academic sphere.
