# **Trends in Technologies in Environment Sustainability and Institutional Code of Conduct**

## **An Orientation Program of Students and Staff AY 2019-20**

**Event Name:** Trends in Technology in Environment Sustainability and Institutional Code of Conduct  
Orientation Program of Students and Staff

**Event Name:** Leading the Change: Trends in Technologies in Environment Sustainability  
and Institutional Code of Conduct

**In Association with:** Blue Planet Environmental Solutions Singapore

**Date:** 29<sup>th</sup> September 2019

**Venue:** J.S. University, Shikohabad

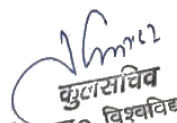

### **Overview:**

The program, focused on empowering students and faculty members to take actionable steps towards sustainability. Organized by Blue Planet Environmental Solutions Pvt. Ltd., in collaboration with J.S. University, Shikohabad, the day was dedicated to task delegation, hands-on activities, and practical learning to drive environmental initiatives on campus. Institutional Code of Conduct and orientation with different discipline monitoring committees is covered as extended agenda of the program. The event aimed to educate and inspire students and faculty members across various disciplines towards embracing environment sustainable practices, maintaining Green Campus, and stay aware about code of conduct of the university to make it a safe place to work and learn.

### **Key Activities:**

#### **Ambassador Introduction and Task Delegation:**

The day began with the introduction of the 'Blue Nudge' Environmental Ambassadors. Five ambassadors from each department/faculty were selected and given badges to recognize their roles. These ambassadors were briefed on their specific tasks and responsibilities, setting the stage for their active participation in leading sustainability initiatives on campus.

### **Introducing the Net Zero Coordinator:**

A pivotal moment was the introduction of the Net Zero Coordinator from J.S. University. This coordinator will oversee the implementation of net-zero initiatives and act as a liaison between the university and Blue Planet Environmental Solutions.

### **Webinar - Trash Talk: Innovations in Waste Reduction and Recycling:**

A webinar titled "Trash Talk: Innovations in Waste Reduction and Recycling" was conducted. This session highlighted cutting-edge techniques and technologies in waste management and showcased successful case studies of innovative recycling methods.

### **Orientation of the Ambassadors - For CRD:**

The 'Blue Nudge' ambassadors underwent a specialized orientation focused on CRD (Community Resource Development). This training equipped them with the necessary skills to lead community-driven sustainability projects and foster a collaborative approach to environmental challenges.

### **Segregation Safari - A Walk for Awareness Around Waste:**

The day concluded with the "Segregation Safari," a walk designed to raise awareness about waste segregation. This activity marked the initiation of waste collection efforts on campus, emphasizing the importance of proper waste management practices.

Organized by: Blue Planet Environmental Solutions Pvt. Ltd., Singapore

In Collaboration with: J.S. University, Shikohabad

### **Awareness of Code of Conduct and Monitoring Committees**

- Policy of Zero Tolerance in Discipline
- Regulations and Legal Liabilities
- Anti Ragging Policy
- Prevention of Sexual Harassment (POSH)
- Rights and Responsibilities
- Anti Ragging Committee and Internal Complaint Committee
- Feel Safe: Process of Complaint

### **Participants:**

The event witnessed enthusiastic participation from students and faculty members, further demonstrating the collective commitment to fostering environmental stewardship within the academic community.

### **Conclusion:**

The program, successfully engaged students and faculty members in practical and educational activities aimed at promoting environmental sustainability. The selection and introduction of the Blue Nudge Ambassadors, along with the hands-on Segregation Safari activity, highlighted the university's commitment to fostering a culture of sustainability. The collaborative efforts with Blue Planet Environmental Solutions continue to pave the way for a greener campus and a more environmentally conscious community. Participants shared their views on Code of Conduct and better confidence in ragging free university.

### **Future Prospects:**

Building on the momentum of the program, J.S. University will continue to integrate sustainability practices into its operations and curriculum. The 'Blue Nudge' ambassadors will play a critical role in driving these initiatives forward, ensuring that the university remains at the forefront of environmental stewardship.
