Agenda EC1.9: To consider the reservation policy for admission to various programs in the University,

Resolution:

The Registrar appraised the Council that there are no Central/State Government orders for the reservation of seats for admission in the private universities in the State of Uttar Pradesh of India.

In view of the socio-economic condition of underprivileged section(s) of people in the region and to give equal opportunity for the quality education, the Council resolved to reserve intake in UG and PG Programs for the reserved categories SC/ST/OBC/EWS belonging by domicile to the state of Uttar Pradesh by 10% collectively, offered based on combined merit of all categories.

Further, unfilled reserved seats would be converted and offered to General category with the notice of registrar.

The reservation for admission shall be reviewed and regulated if the Government issues any directives in this respect for private institutions.

The Council further resolved that the University shall ensure equal opportunity to all people of the society irrespective of their cast, creed, race, religion, gender language or the place of birth.
